within your priorities and focusing our efforts where they bring the most value, we efficiently fine tune your operations while effectively helping you to avoid surprises by obtaining complete, reliable information that supports your strategic and day-to-day decisions. Working together, we produce consistently great results for you, your customers and your colleagues, while raising and protecting your profitability and bottom line.

Our Litigation Support Services

Every business, no matter the size or industry, is at risk for legal disputes, business risks, and regulatory and compliance-related challenges. When issues arise for your organization, it's critical to have a team of experts that understands your industry and brings specific experience to your unique situation. Granite GRC assists organizations through all the phases of pre-litigation and litigation. Through in-depth analyses, and by developing creative solutions to difficult challenges, Granite GRC's professionals support success while easing the impact of legal proceedings, allowing organizations to better focus on their primary purposes – serving customers and driving business growth.

As an organization focused on supporting success in litigation, we provide:

- Systems and transactions assessments and analyses
- Performance of (and consultation and support for) internal investigations
- Forensic evidence collection and analysis
- Assistance with interrogatories, document requests and document reviews
- Support for depositions and other interviews
- E-discovery and data mining
- Trial exhibits and courtroom presentations
- Expert witness testimony
